ED3022 SAE Class I Surface/Bracket Mount

The ED3022 LED directional light offers long life, maintenance-free operation, features an aluminum housing, polycarbonate lens, and three LEDs that provide 12 synchronizable flash patterns. The ED3022 can be surface or bracket mounted. Supplied with a bezel matching color of illumination, optional colored bezels are available as accessories. All of these features plus its 3-year warranty make this powerful LED a smart choice for a compact auxiliary warning light.

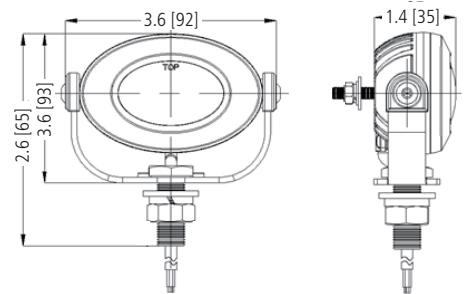

Models

PART NO.	VOLTAGE	AMPS	MOUNT
ED3022X	12-24	0.9	Surface/Bracket
